The school has an enrolment zone and the school office can advise you if you are in our enrolment zone. Applications for non-local enrolments are considered using a range of criteria, including the availability of appropriate staff and classroom accommodation. Please contact the Principal if you require further information about the procedures for non-local enrolment. Parents are encouraged to seek enrolment in their local zoned school.

If you would like to discuss readiness for school or any other matters regarding enrolling your child please make an appointment with the school office to see Mrs Kylie Mulholland who is our Assistant Principal looking after Kindergarten.

Chess Tournament

Late last term, students from GEPS travelled to St Patrick's PS to compete in the Griffith Zone Primary Chess Championships. In windy and slippery conditions, our fearless competitors fought valiantly against formidable opposition, with countless nail-biting encounters on opposition turf testing their resolve. Time and time again, our students dug deep to outlast their tiring opponents and it was clear that their gruelling training regime had paid dividends. In addition to their impressive overall display of sportsmanship, teams from GEPS also achieved 2nd place in Championship grade, 1st place and 2nd place in Intermediate division and 3rd place in the Rookies category. Congratulations chess team!
