MEET THE TEACHER

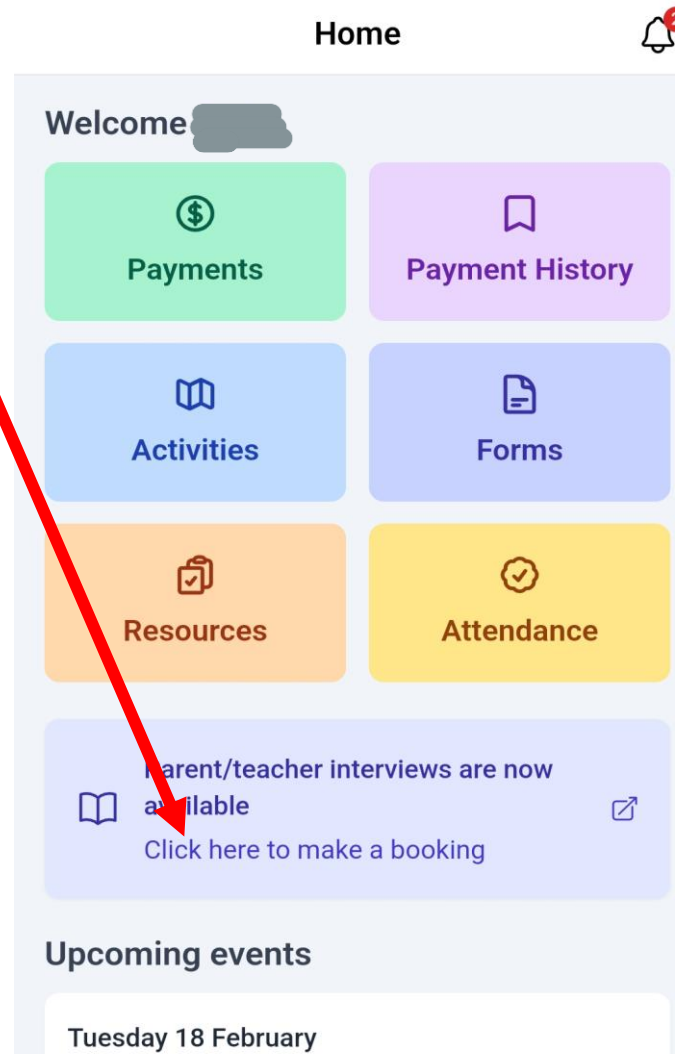

Parent teacher meetings can now be scheduled with classroom teachers to discuss how your child has settled into the 2025 school year. The interviews will be a brief discussion about your child's start to the school year and an opportunity to pass on important information about your child.

We will hold interviews on separate days for K-2 and 3-6. All interviews will be held in classrooms.

3-6 Session 1 Monday 3 March 3:30pm - 6:30pm
K-2 Session Tuesday 4 Mar 3:30 - 6:30pm
3-6 Session 2 Wednesday 5 March 3.30 - 6.00pm

Interviews can be booked through our School Bytes App.

If you don't have access to School Bytes please phone the school office and they will arrange an interview time for you.

SELECTIVE HIGH SCHOOL & OPPORTUNITY CLASSES

Applications for selective high school and opportunity class entry in 2026 will be open until 21 February 2025. Parents and carers of children in Year 4 will need to apply for opportunity class by the end of Week 4, Term 1. For selective high school placement, parents and carers can apply for children in Year 6 until the end of Week 4, Term 1. Detailed instructions on how to apply and the link to the online form can be found on the [Selective High Schools and Opportunity Classes](#) website.

NAPLAN 2025

Each year the National Assessment Program – Literacy and Numeracy (NAPLAN) is sat by students in Years 3, 5, 7 and 9. Students will participate in tests for writing, reading, conventions of language (spelling, grammar and punctuation) and numeracy.

NAPLAN 2025 will take place from Wednesday 12 March to Monday 24 March.

NAPLAN is just one part of our school's learning assessment program. The tests assess literacy and numeracy skills your child is already learning at school, so the best preparation is their everyday classroom learning.

Our school will also undertake activities to help students become familiar with the types of questions and tools available in the online tests.

The public demonstration site (<https://www.nap.edu.au/online-assessment/publicdemonstration-site>) is available for you to see the format of the online tests.

Further information about NAPLAN is available on the NESA website

<https://www.nsw.gov.au/education-and-training/nesa/naplan>

and the NAP website.

If you have any questions about NAPLAN, please contact your child's teacher.
